Lochaber Bay Cemetery

... who is buried where!

Cemetery Map and Ref#'s

All headstones and plots have a 'Ref#' as illustrated in Fig #1 on right.

The Old Section of the cemetery starts with 'A1' in the north-east corner. (Follow row letters on the white fence.)

The New Section of the cemetery starts after row M using a different numbering system. Each row contains 17 plots spaced at 4 ft intervals. Numbering is sequential starting at the south (hedge) side of the cemetery with plot #1. The 'NP' prefix is optional and is dropped in this document ('NP' = 'New Plots').

Table of Contents

The **Table of Contents** (page 3) lists the cemetery plots (burials) and headstones in 'Ref#' order. Plots show burial names, dates ending with headstone [Ref#]. Headstones show associated [name].

Index of Names

Following the **Table of Contents** is an **Index of Names** on page 14 which is the same list but sorted by 'name'.

Notes:

- 1 – Use the 'Ref#' at <https://www.lochabercemetery.org/find> to look up additional information. (QR code is on back page)
- 2 – Ref#'s with suffix of 'h' or 'f' designate 'head' or 'foot'. This designation is common in the New Section of the cemetery where the 'head' of a plot is the western end of the plot.
